This souvenir sheet is supplied by
Avery Dennison - Global leader
in pressure sensitive technology,
materials and products.

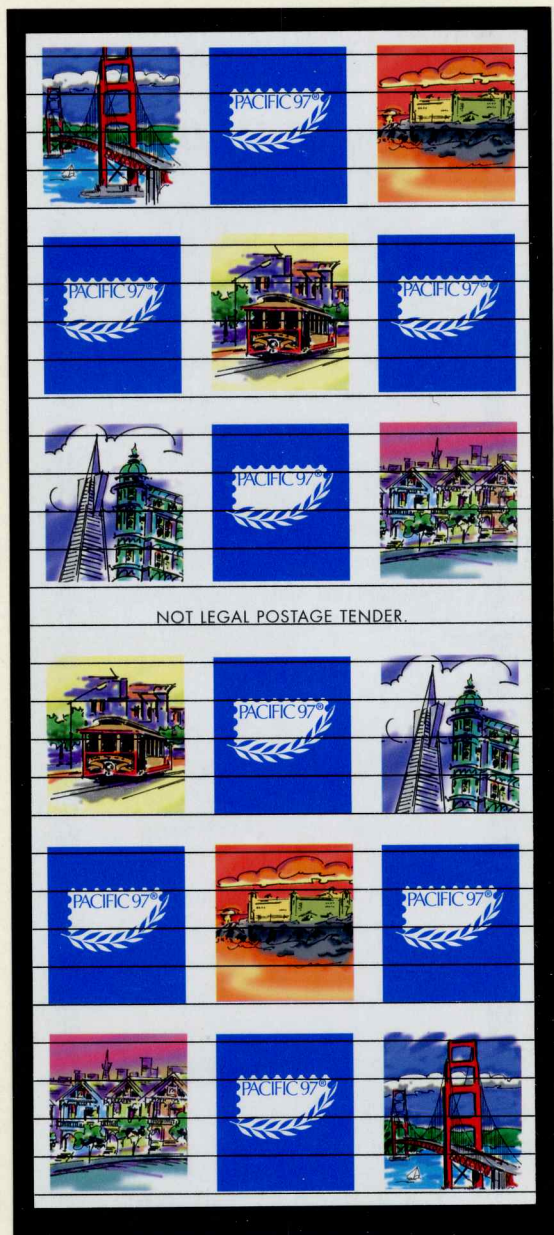

•
This sheetlet demonstrates the paper
and adhesive technology, developed
to enable bank ATMs to vend postage
stamps as easily as currency.

•
Avery Dennison was instrumental in
pioneering U.S. self-adhesive postage
stamps in the 1970's and continues to
engineer enhancements to meet the
demands of today's customers.

•
Avery Dennison manufactures
stamps for the U.S. and other postal
administrations and supplies stamp
paper to security printers worldwide.
